- Garage Ready - GE freezers are tested to perform from 0°F to 110°F
- Power Outage Promise - In the event of a power outage, food remains frozen\* 48 hours in the freezer (\*temperature 32 degrees F or lower)
- The highest rated upright and chest freezer lineup in the industry - Based on aggregated ratings and review data from GEA.com and leading retail websites
- Find The Right Fit - Chest and upright freezers come in a variety of sizes to fit your needs
- Glass Shelves - This upright freezer comes with four glass freezer shelves, two of which are adjustable
- Turbo Freeze - The fast freeze feature restores set temperature for optimum food freshness
- Lock with Key - This security feature allows you to protect your valuable food items from unintentional entry
- Slide-Out Freezer Bins - Enjoy more flexible storage and find items quickly with this clear slide-out bin
- Audible Temperature Alarm - The easy-to-hear alarm alerts you if the temperature rises
- LED Interior Lighting - Quickly locate frozen items inside your freezer with interior lighting that illuminates upon opening
