- Garage Ready - GE freezers are tested to perform from 0°F to 110°F
- Power Outage Promise - In the event of a power outage, food remains frozen* 48 hours in the freezer (*temperature 32 degrees F or lower)
- The highest rated upright and chest freezer lineup in the industry - Based on aggregated ratings and review data from GEA.com and leading retail websites
- Find The Right Fit - Chest and upright freezers come in a variety of sizes to fit your needs
- Wire Shelving - Easily organize and find your frozen favorites thanks to adjustable wire shelves
- Turbo Freeze - The fast freeze feature restores set temperature for optimum food freshness
- Lock with Key - Allows you to protect your valuable food items from unintentional entry
- Audible Temperature Alarm - The easy-to-hear alarm alerts you if the temperature rises
- Slide-Out Basket - Convenient slide-out freezer basket makes space more flexible and items easier to find
- LED Interior Lighting - Interior lighting automatically illuminates when door is open
