

# GE® Top Control with Plastic Interior Dishwasher with Sanitize Cycle & Dry Boost

## Model# GDP630PMRES

- 3 Rack Dishwasher - This dishwasher has a third rack without dedicated compartments, giving you extra capacity and flexibility to store everything from lids and serving utensils to small bowls
- Bottle Jets - This dishwasher with bottle jets ensures a deep clean for tall items, narrow glasses, jars and more. In the upper rack, each of the four bottle jets directs water and detergent inside to effectively wash hard-to-reach areas
- Dry Boost™ - Dry Boost gets hard-to-dry items like plastics up to 3x drier compared to heated dry
- Wash Zone - Wash a true half load in the upper or lower rack whenever you need to, instead of waiting on a full load. Just choose your wash zone: upper or lower. The feature works in combination with most cycles, saving you time and conserving energy
- Steam + Sani - Save time with a Steam option that loosens tough soils before the wash cycle begins, so you get a complete clean with no pre-rinsing or soaking necessary. Plus, a Sanitization cycle reduces 99.999% of bacteria on dishes
- AutoSense Wash Cycle - This energy efficient dishwasher has an AutoSense cycle that detects the soil level and amount of dishes, then automatically adjusts wash settings for the ultimate clean
- High Wash Performance - Get a complete wash with no pre-rinse, thanks to a variety of powerful wash cycles. No matter how many dishes you load or how dirty they are, rest assured you'll get spotless results every time
- Adjustable Upper Rack - Enjoy flexible loading with an adjustable upper rack. Easily move it up

### FEATURES

- Choose Your Cycle - This dishwasher offers a heavy wash, normal wash, rinse cycle and 1-hour wash cycle for outstanding wash performance and clean dishes every time, no matter the load size
- Reliable Performance - This American made dishwasher is durable, long-lasting and dependable. Its consistent performance will give you totally clean and dry dishes with every cycle
- Water Leak Sensor - This dishwasher features Active Flood Protect, preventing potential overflows for greater peace of mind. A water sensor cancels the wash cycle before a flood can occur and alerts you with blinking lights and a tone
- Hard Food Disposer - The Piranha™ hard food disposer with a removable filter has a stainless steel blade that rotates at 3,600 RPM, preventing large particles from clogging the wash arms and ensuring consistently clean dishes
- ENERGY STAR® Dishwasher - This efficient, ENERGY STAR® dishwasher saves energy without sacrificing features or functionality
- Quiet 50 dBA Dishwasher - This quiet dishwasher provides a powerful clean without unwanted noise or disturbances. A status light on the door lets you know when it's running
- Extra Large Capacity - This extra large capacity dishwasher has enough space for 14 place settings and large dishware, making cleanup easy after gatherings
- Flush Installation
- Top or Side Mount Installation Brackets - Easily mount the dishwasher under your countertop or to the side of your cabinets using installation brackets for any type of countertop
- Built-Up Floor Capable - This dishwasher has adjustable heights, making it easy to install over built-up floors
