

# GE® Top Control with Stainless Steel Interior Dishwasher with Sanitize Cycle & Dry Boost with Fan Assist Model# GDT645SSNSS

- Dry Boost™ with Fan Assist - Dry Boost with Fan Assist gets hard-to-dry items like plastics up to 3 times drier than heated dry cycles using a fan that pulls moist air out, resulting in table ready dishes
- 4 Bottle Wash Jets - This dishwasher with bottle jets ensures a deep clean for tall items, narrow glasses, jars and more. In the upper rack, each of the four bottle wash jets direct water and detergent inside to effectively wash hard-to-reach areas
- High Wash Performance - Get a complete wash with no pre-rinse, thanks to a variety of wash cycles that provide a powerful clean. No matter how many dishes you load or how dirty they are, rest assured you'll get spotless results every time
- Water Leak Sensor - This dishwasher features Active Flood Protect, which prevents potential overflows for greater peace of mind. It works by using a water leak detector to sense when water is too high, pumping it out until a safe level is reached
- Reliable Performance - American made, this dishwasher is durable, long-lasting and dependable. Its consistent performance will give you totally clean and dry dishes with every cycle
- Wash Zones - Wash a true half load in the upper or lower rack whenever you need to, instead of waiting on a full load. Just choose your wash zone: upper or lower. The feature works in combination with most cycles, saving you time and conserving energy

## FEATURES

Wash System	3-Level 600 Series
Sensor	Clean Sensor
Lower Rack	Ball-Tip Tines

- Adjustable Upper Rack - Enjoy a dishwasher with flexible loading with an adjustable upper rack. Easily move it up or down to fit bottles, large platters and other items as tall as 10.5"
- Steam + Sani - Save time with a steam and sanitize option that loosens tough soils before the wash cycle begins, so you get a complete wash with no pre-rinsing or soaking necessary. Plus, a sanitization cycle reduces 99.999% of bacteria on dishes
- 1-Hour Wash Cycle - This one-hour wash cycle provides a quick, quality clean. Unload spotless plates, glasses, pots and pans without waiting hours for the dishwasher to finish
- AutoSense Cycle - This energy efficient dishwasher has an AutoSense Cycle that detects the soil level and amount of dishes, then automatically adjusts wash settings for the ultimate clean
- Hard Food Disposer - The Piranha Hard Food Disposer lets you use your dishwasher without pre-rinsing. Its stainless steel impellers rotate at 3,600 RPM to pulverize food particles and an anti-jamming design make sure wash arms stay unclogged
- Extra Large Capacity - This extra large capacity dishwasher has enough space for 16 place settings and large dishware, making cleanup easy after large gatherings
- 48 dBA Dishwasher - This quiet dishwasher offers powerful, reliable performance without making unwanted noise in the kitchen
- Optional WiFi - Turn your appliance into a smart dishwasher with a WiFi adapter (sold separately). Simply attach it and start using the SmartHQ app to control and monitor your unit remotely. You can even reorder detergent
