GE® 5.0 cu. ft. Capacity Smart Washer with Sanitize w/Oxi and SmartDispense

Model# GTW845CSNWS

- SmartDispense™ Technology - An intelligent dispenser that holds up to 48 loads of detergent and automatically dispenses the right amount, saving you time and making laundry effortless
- Power Prewash - Get even the most heavily soiled items perfectly clean in a single cycle that adds detergent, agitates, and soaks, then drains the dirty water and repeats the wash process
- Water Station - Pre-treat your clothes inside the washer with an integrated water station that dispenses water and detergent together, or just water, all at your desired temperature
- Sanitize with Oxi - Remove 99.9% of bacteria with a dedicated cycle that uses an Oxi additive to boost your detergent's cleaning power, while keeping fabrics looking and feeling their best
- Built-in WiFi - Enjoy the ultimate in convenience and the latest in technology with the ability to monitor and control your laundry from anywhere and receive real-time notifications and updates
- Dual-action agitator - Experience a high level of clean with a dual-action agitator that enables a reversing, powerful wash action
- QuietWash - Enjoy a quieter wash and reduced vibration thanks to innovative Dynamic Balancing Technology
- Deep Fill - Customize your water-fill levels with just the touch of a button and fill the tub with as much water as you want so you can wash your way
- Multiple Rinse Options - Ultimate flexibility with your rinse cycles to remove detergent, fabric softener, and stubborn soils with options like Deep Rinse, Extra Rinse and Warm Rinse
