OdorBlock Capabilities	Microban + FilterFresh
Rack Color	Silver
Dispenser	Rinse Aid with Indicator and Adjustment
WiFi Connect	Built-In

- Microban® Antimicrobial Technology - Enjoy longer-lasting dishwasher protection thanks to Microban® Antimicrobial Technology. Built into high-usage touchpoints to help prevent bacteria growth, it keeps protected surfaces 99% cleaner than unprotected surfaces
- Dry Boost™ - Dry Boost™ technology outperforms standard heated-dry dishwashers by getting hard-to-dry items like plastics up to 3 times drier when compared to heated dry
- Smart Features Powered by SmartHQ™ - Built-In WiFi and the SmartHQ™ app make it easy to connect, control and monitor your smart dishwasher from anywhere. You can also conveniently access the latest features, including customized cycles, remote status notifications and more
- Smart Assist - Smart Assist makes it simple for you to unlock optimal wash and dry performance. Innovative dishwasher sensors and intelligent machine learning enhance and improve cycles over time
- Deep Clean Silverware Jets - A system of deep clean silverware jets blasts the silverware basket from the bottom up, removing all stuck-on foods and providing sparkling results
- Third Rack with Removable Silverware Caddy - The versatile third rack was redesigned to load

more than just silverware with additional space for unique items

- Active Flood Protect - To prevent potential overflows, a sensor detects when the water is too high and pumps it out until a safe level is reached
- 4 Bottle Wash Jets - This dishwasher with bottle jets ensures a deep clean for tall items, narrow glasses, jars and more. In the upper rack, each of the 4 bottle wash jets directs water and detergent inside to effectively wash hard-to-reach areas
- Steam + Sani - Save time with a high-temperature cycle that steams and sanitizes to loosen tough soils before the wash cycle begins, reducing bacteria by 99.999% without pre-rinsing or soaking
- Piranha™ Hard Food Disposer - The Piranha™ Hard Food Disposer lets you use your dishwasher without pre-rinsing. Its stainless steel impellers rotate to pulverize food particles and an anti-jamming design makes sure wash arms stay unclogged
- 44 dBA Dishwasher - Get reliable wash performance and a deep clean without unwanted noise thanks to this super-silent 44 dBA dishwasher
- Extra-Large Capacity - Have enough space for 16 place settings and large dishware in this extra-large capacity dishwasher, making cleanup after large gatherings a breeze
- Notification Bar - Always know the status of your clean with this notification display dishwasher feature. A bright bar illuminates different colors to indicate the status of the cycle

Control Type	8 Touchpads Fingerprint Resistant Cap Touch Controls Top Controls
Racking System	Full 3rd rack
Dishwasher Drying Features	Dry Boost™ Multi-Wattage Wash & Dry Element Normal, High, Off
