Maximum Spin Speed	1300 RPM
Number of Cycles	12

- 2-in-1 Washer/Dryer - Wash & Dry a large load of laundry in about 2 hours without the hassle of transferring clothes from the washer to the dryer (Based on completing the Normal Wash + Dry cycle with Eco Dry using a 10-lb. DOE or Mixed Load in about 2 hours See Use & Care
- Fast Airflow Drying System - Warm, high-speed air extracts moisture from garments to gently dry even large loads fast with less heat. Now you can wash and dry everything from a comforter to delicate items from start to finish virtually eliminating the need to hang dry - it's the ultimate one and done laundry experience!
- The One and Done Laundry Experience - The UltraFast Combo is designed to enhance the way you experience laundry by optimizing washing + drying all in one machine. Plus, the smarter drying technology combines fast air flow at lower temperatures to ensure maximum care for all your laundry.
- Easy Installation & Space-Saving Solutions - Reimagine your laundry space and location with the flexible installation requirements of a standard 120V and no need for a dryer exhaust vent. The Ventless Combo design takes up half the space so you can rethink your laundry room possibilities

- Greater Energy Savings** - 50% more energy efficient drying** with Ventless Heat Pump (**Efficiency rating as compared to the requirements for ENERGY STAR qualification for standard electric dryers)
- Adaptive SmartDispense™ Technology - Save time and effort with an intelligent dispenser that holds enough detergent and softener for up to 32 loads. Plus, scan the barcode on the detergent or softener bottle with the SmartHQ™ app and the washer will dispense the right amount
- Microban® Antimicrobial Technology - Provides antimicrobial protection on the gasket, dispenser, and draining system, to help prevent odors and ensuring your Combo stays fresh and clean load after load
- Smart Features Powered by SmartHQ™ - When connected to the SmartHQ™ app, you can make sure your Combo always has the latest features! Plus, receive remote cycle status notifications, select detergents and download specialty cycles
- Large Wash Capacity - 4.8-cu.ft. capacity lets you clean large sized loads, even clean a king-size comforter . Large wash capacity allows families of all sizes to cut laundry routine in half
- Limited Warranty - Rest assured knowing your unit is backed by a 10-year limited warranty on the motor and a 5-year limited warranty on the sealed drying system
- EZ Access Lint Filter System - An exclusive, easy-to-reach lint filter system allows you to remove lint and micro particles, ensuring your Combo operates at the highest levels of efficiency
- Eco Cool™ Cycle - Save energy with a specially designed cold-water wash and efficient dry cycle that delivers cleaning performance comparable to a warm water cycle
- My Setting - Store preferred wash and dry cycle settings for later use, maximize time and alleviate adjusting cycle preferences with every load. Cycle preferences are stored, selected and deselected with a touch of a button; a heart symbol appears to indicate the setting has been stored and in-use
- DeWrinkle - Dewrinkle helps save time by minimizing ironing. If clothes are slightly wrinkled from sitting in the dryer too long, this setting helps remove wrinkles from 1-8 garments with steam vapor for approximately 35 minutes during the dry cycle
- Wrinkle Care - Prevents wrinkles by extending the tumble without heat

Drying Capability	Full Loads from Wash Cycle
Dryer Fuel Type	Electric Heat Pump technology
Functions	Wash+Dry; Wash Only; Dry Only
Microban™ Antimicrobial Treated Surfaces	Microban® in Gasket, Dispenser, Pump and hoses

GE Profile™ 4.8 cu. ft. Capacity UltraFast Combo with Ventless Heat Pump Technology Washer/Dryer

Model# PFQ97HSPVDS

APPROXIMATE DIMENSIONS(HxDxW)

- 46.70 H x 28 W x 32 D

CAPACITY

- Wash Basket Type - Stainless Steel
- Total Capacity (cubic feet) - 4.800000cu ft

ECONOMICAL / QUIET

- Motor Type - Belt Drive Induction Motor w/ 10 Year Warranty
- Quiet Package - Quiet-By-Design with dB™ Quiet Control

APPEARANCE

- Handle - Pocket Handle
- Color Appearance - Carbon Graphite
- Installation - Built-In, Riser, Side-by-Side
Plugs into 120V wall outlet

WEIGHTS & DIMENSIONS

- Approximate Shipping Weight (lb) - 323lb
- Net Weight (lb) - 302lb
- Depth with Door Open 90° (in) - 54 1/2in
- Overall Height (in) - 46 7/10in
- Overall Depth (in) - 32in
- Overall Width (in) - 28in

POWER / RATINGS

- Volts/Hertz - 120V; 60Hz
- Circuit Breaker or Time Delay Fuse - 15 Amp
- Motor Speeds - Variable

ACCESSORIES

- Touch-Up-Paint - 0.6 OZ. - WR97X27706 (sold separately)
- Drain Hose Extension Kit- Approx. 44" - WH49X316 (sold separately)
- Universal low profile washer floor tray - PM7X2 (sold separately)
- Sink Unicoupler Hook-up - WH41X27468 (sold separately)
- Fill Hose - WH41X10207 (sold separately)
- Optional Riser - GFR0728PTDS (Sold Separately) On a riser this unit is no longer ADA compliant. Not suggested for installation

WARRANTY

- Parts Warranty - Limited 1-year entire appliance
Limited 10-year motor
Limited 5-Year Drying Sealed System

- Warranty Notes - See written warranty for full details
- Labor Warranty - Limited 1-year entire appliance

CERTIFICATIONS
