

GE Profile™ 30" Smart Slide-In Fingerprint Resistant Front-Control Induction and Convection Range with No Preheat Air Fry Model# PHS930YPFS

- Built-In WiFi, Powered by SmartHQ App - Connect, control and manage your oven from anywhere with your smartphone or tablet (Select features require WiFi Connection) [See details](#)
- GE Profile Connect + - Ensure your oven always has the latest features, like new Air Fry modes, with downloadable software upgrades
- Guided cooking - This range is equipped with guided cooking from Hestan Cue to help streamline your cooking with a system that combines video-guided recipes from chefs with automatic time, temperature and cooking pace adjustments
- Sous vide capability - A sous vide-enabled cooktop lets you achieve perfection on the stove with a precision cooking probe
- No Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray
- Fingerprint resistant stainless - Easily wipe away smudges and fingerprints for a look that's always sparkling clean
- Fit Guarantee - This induction range will fit your existing 30" cut-out, or GE Appliances will help pay for modifications up to \$300. https://www.geappliances.com/content/pdfs/GE_Appliances_Fit_Guarantee_2H2023.pdf

Product Type	Slide-In Single Oven

- Induction Cooktop - An induction cooktop makes stovetop cooking fast and efficient, with more precise temperature control and easy cleanup
- Touch controls - Glide touch controls let you control the cooktop with the swipe of a finger and are easy to clean thanks to seamless integration
- Induction element - An 11-inch induction element that is powerful enough to boil water in 101 seconds, but precise enough for delicate dishes
- Synchronized elements - Control two cooktop elements with a single button to create a bigger cooking surface for griddles
- Synchronized clocks and lights - Synchronize your oven and GE Appliances over-the-range microwave so that clocks are always matching and lights automatically come on when a burner is activated with Chef Connect
- Never-scrub oven racks - These durable oven racks can be left in the oven during the self-clean cycle so you never have to scrub
- True Convection with Precise Air - This oven features True Convection, an advanced convection system that uses a third heating element and reversing fan for the highest level of heat and air circulation
- Soft-close storage drawer - A full-width drawer closes silently and softly at a touch, and provides space for kitchen storage
