

GE Profile™ 4.9 cu. ft. Capacity Washer with Smarter Wash Technology and FlexDispense™ Model# PTW605BSRWS

- Smarter Wash Technology - Adaptive Smart Technology enables optimization of cleaning power and fabric care within each cycle
- Microban® Antimicrobial Technology - Antimicrobial protection is built into key washer components to help prevent odor-causing bacteria in areas like the tub, dispenser drawer and drain hose
- Smart FlexDispense® - Dedicated dispensers for detergent, detergent packs like Tide PODS™, fabric softener, and other common additives delivering faster activation and optimal cleaning performance
- Tangle Control - Intelligent technology adapts the wash action to minimize tangled loads
- 10-year Limited Warranty - Enjoy peace of mind knowing your washer is backed by a 10-year limited warranty
- Smart Features powered by SmartHQ™ - Ensure your washer always has the latest features, including extra cycles for active wear and casuals, customized stain removal technology, and more, all enabled by SmartHQ™
- Built-In WiFi powered by SmartHQ - Easily start, stop, and monitor your laundry from anywhere, and receive real-time notifications and updates with your smartphone, tablet, or voice assistant
- Sanitize with Oxi - Remove 99% of bacteria in your laundry thanks to a dedicated cycle that uses an Oxi additive to boost your detergent's cleaning power
- Easier Access Capacity - Enjoy large capacity while being able to easily reach the bottom of the washer
