- Charcoal filter replacement for microwaves with grille and filter door - Easily install your new charcoal odor filter
- 1.7 cu. ft. capacity - 950 Watts (IEC-705 test procedure)
- Fast Cook - Convection and microwave cooking combine to deliver fast oven-quality results
- Sensor cooking controls - Automatically adjusts time and power for delicious cooking results
- Chef Connect - Three options with a single touch. For instant convenience, choose when to automatically sync clocks and the range elements with the microwave's surface light and vent
- LED cooktop lighting - Brighten the kitchen while saving on energy and maintenance costs
- Stainless steel interior - Make cleaning spills and splatters a snap
- Convection rack - Achieve golden-brown results with a specially designed rack that allows air to circulate around foods for even heat distribution during convection cooking
- Upfront charcoal filter with indicator light - Light indicates when odor-removing charcoal filter needs to be replaced
- My Cycle - Create a custom cook time setting, and with one touch, cook your favorite dish just the way you like
- Removable oven rack - Full-width cooking rack allows for multi-level cooking simultaneously, allowing you to cook large quantities of your family's favorites

- Three-speed, 300-CFM venting system - Removes smoke, steam and odors
- Convection cooking - Choose this setting when baking or browning is desired
